PARTICIPANT RESPONSIBILITIES

A. The Participating Program will:
   1. Have continued accreditation status by the ACGME.
   2. Be willing to commit to the study procedures for the full year.
   3. Receive institutional permission from the DIO to participate.
   4. Develop duty hour schedules that adhere to the arm to which they are randomly assigned:
      a. “control”—adherence to current 16h duty hour limits (current standards)
      b. “intervention”—3 rules:
         i. 80 hours maximum duty per week*
         ii. 1 day off in 7*
         iii. In-house call no more frequent than q3 nights*
         * averaged over a 4-week period
   5. Provide iCOMPARE with a template of the assigned schedule.
   6. Provide a list of all trainees with their hospital contact information for AY2014-15 and AY2015-16.

B. Program Directors and Trainees will complete:
